Content Submission Quick Start Guide

What We Need From You

1. **Text Content** (upload to your FreedCamp folder)
 - Site-map template *example work sheet included* (page 3)
 - Final page content *example work sheet included* (page 4)

2. **Media Content** (upload to your FreedCamp folder)
 - Graphics and pictures
 - Videos Logos

3. **Extras Content** (upload to your FreedCamp folder)
 - Forms *work sheet included* (page 5)

This is a tool to help you submit content correctly and efficiently which helps our designers be creative and deliver your website faster. Once completed please upload to your FreedCamp folder we setup for you. Our team will be notified when your files are uploaded which lets us know to start the designing process.

Note: Please remember that your project does not begin until we receive all requested content.
